Presented by: **Pieter D. Kofman Senior Consultant Wood for Energy,
Danish Forestry Extension.**

This is a vital workshop for forest managers and all others wishing to get involved in the supply chain of the emerging wood biomass sector.

Workshop contents:

- Introduction to wood biomass
- Overview of supply chain
- Wood biomass harvesting, transport and storage
- The Ten Commandments of wood biomass usage
- Quantification (conversion factors such as tonnes, m³, kWhrs, GJ, etc.)
- Irish and Danish case studies
- Biomass supply contract preparation
- Exercises e.g. determining woodchip sales values at different MC etc.

PLEASE NOTE: Each workshop is limited to a **maximum** of 20 participants. Places will be allocated on a first come first served basis. Please fill in the registration form and **return it to SFIC before 28 January 2008.**

The registration fee of £40 (incl. VAT) will include course material, biomass calculator software, lunch and refreshments.

This event may provide up to 7 hours CPD
