

New Crofters' Registration Form

The Scottish Crofting Federation wishes to maintain a register of people who are interested in obtaining a croft. This register can then be matched with any crofts that become available and the SCF will notify appropriate people on the list. Note that under the Crofting Act of 2010, crofters must live on or within 32 kms of their croft and must make purposeful use of the land. The list is maintained as a service for members only.

You may wish to employ a solicitor who is familiar with crofting law to advise you.

The SCF will keep the above details on file for the purpose of the New Crofters' Register only and details will not be disclosed to anyone else. You may receive further contacts and mailings through your ongoing membership of SCF. Please notify SCF of any changes to your circumstances.
